ATTN OF: CDSO

SUBJECT: Letter of Commendation

TO: A1C Roger E. Thurston,
811th Combat Defense Squadron
Westover Air Force Base, Massachusetts

I would like to take this opportunity to personally thank you for a job well done. On 7 May 1963, you apprehended an individual leaving the flight line without a SAC Form 138 in his possession. Your initiative, devotion to duty and outstanding effectiveness were invaluable as illustrated by this example. It is a sincere pleasure and privilege to work with a man of your caliber and I would like to again commend and thank you for a job well done.

FOR THE COMMANDER

ARLEN K. NELSON
